MAYOR DEMARIA SET TO WELCOME FIRST HOTEL TO THE CITY OF EVERETT *Grand opening will be open to the public*

On Monday, April 10th Mayor Carlo DeMaria, state and local officials, members of the Chamber of Commerce will welcome, the City's first hotel, enVision Everett Hotel, part of the Ascend Hotel Collection, to Everett. Set to officially open for guests, the 101-room enVision Everett Hotel will feature a locally- inspired, vintage design with modern technology. The grand opening will be held at 11AM on Monday and will be open to the public. The hotel was designed for travelers seeking a unique Boston experience with a boutique neighborhood charm featuring a café and lounge. The site attracted enVision Everett, located at 1834 Revere Beach Parkway, because it is located just four miles outside of Boston and is in close proximity to Logan International Airport.

"We are excited to open the enVision Hotel Boston Everett, which will be the second enVision Hotel in the Boston area," said Gautam Sharma, President, Global Vision Hotels. "enVision Hotels strive to bring a taste of the local culture to the guests through the hotel design and in-house events focused on local food, arts, music and history. We are grateful for the support of the local community and look forward to being a part of this wonderful community. "
