MAYOR DEMARIA ATTENDS LOWER MYSTIC REGIONAL WORKING GROUP MEETING

On Monday, June 5th, Mayor Carlo DeMaria attended a meeting of the Lower Mystic Regional Working Group at the Massachusetts Department of Transportation to advocate for the transit access for the residents of Everett. The group is considering ways to relieve traffic on roads around Sullivan Sq., and how to unlock the potential in the area. From expanded Silver line service to a new Orange line T station in Everett, Mayor DeMaria wants to make sure that Everett is at the top of the list for new transit opportunities. This is a matter of regional equity and will make life better for the City of Everett.
