Press Release
FOR IMMEDIATE RELEASE

SUMMER FUN AT ALL FIVE CITY PARKS
Mayor's Summer Lunch Program in full swing, now with daily activities

Register your child to take part in the city's newest exercise program "**Green G.R.A.S.S.**", brought to you by the office of Mayor DeMaria. **Green Group Recreation Activities & Summer Sports** is a **free** program being held at all five of the city's busiest parks prior to the summer lunch program.

One of Energize Everett's primary goals is to help provide activity and promote exercise affordable to all families. The Recreation Department is hoping this will encourage youth in our community to burn calories in a fun, safe environment and make new friends before sitting down for their free lunch.

Green G.R.A.S.S is now running and will continue through the summer until school is back in session. Take a look at the schedule below and find out which park works best for you and your family. Registration is open, however, this is not a camp or day care program. Space is limited at each park so this is a first come, first serve program. Forms are available at the Recreation Center or at cityofeverett.com
