INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Honorable Mayor
City of Everett, Massachusetts

We have audited the general purpose financial statements of the City of Everett, Massachusetts, as of and for the fiscal year ended June 30, 2002, and have issued our report thereon dated September 6, 2002, which was qualified for the noncapitalization of fixed assets. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the City of Everett's general purpose financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of general purpose financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the City of Everett's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting that we have reported to management of the City of Everett in a separate letter dated September 6, 2002.

This report is intended solely for the information and use of management of the City of Everett, Massachusetts, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

To the Honorable Mayor
City of Everett, Massachusetts

Compliance

We have audited the compliance of the City of Everett, Massachusetts, with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the fiscal year ended June 30, 2002. The City of Everett's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the City of Everett's management. Our responsibility is to express an opinion on the City of Everett's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City of Everett's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the City of Everett's compliance with those requirements.

In our opinion, the City of Everett, Massachusetts, complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the fiscal year ended June 30, 2002.

Internal Control Over Compliance

The management of the City of Everett, Massachusetts, is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the City of Everett's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of management of the City of Everett, Massachusetts, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in cursive script that reads "Powers + Sullivan".

INDEPENDENT AUDITOR'S REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

To the Honorable Mayor
City of Everett, Massachusetts

We have audited the general purpose financial statements of the City of Everett, Massachusetts, as of and for the fiscal year ended June 30, 2002, and have issued our report thereon dated September 6, 2002, which was qualified for the noncapitalization of fixed assets. Our audit was performed for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the general purpose financial statements. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the general purpose financial statements taken as a whole.

This report is intended solely for the information and use of management of the City of Everett, Massachusetts, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

September 6, 2002

* Major program

See notes to schedule of expenditures of federal awards.

Note 1 - Definition of Reporting Entity

The accompanying Schedule of Expenditures of Federal Awards presents the activity of all federal financial assistance programs of the City of Everett, Massachusetts. All federal financial assistance received directly from federal agencies as well as federal financial assistance passed through other governmental agencies is included on the schedule.

Note 2 - Significant Accounting Policies

The accounting and reporting policies of the City of Everett, Massachusetts, are set forth below:

- (a) Basis of Presentation - The accompanying Schedule of Expenditures of Federal Awards is presented on the cash basis of accounting. Accordingly, grant revenues are recognized when received and expenditures when paid.
- (b) School Lunch Program - Program expenditures represent federal reimbursement for meals provided during the year.

A. Summary of Auditors' Results

1. The auditors' report expresses a qualified opinion on the general purpose financial statements of the City of Everett, Massachusetts, for noncapitalization of fixed assets.
2. No reportable conditions relating to the audit of the general purpose financial statements are reported in the Report on Compliance and on Internal Control over Financial Reporting Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards.
3. No instances of noncompliance material to the general purpose financial statements of the City of Everett, Massachusetts, were disclosed during the audit.
4. No reportable conditions relating to the audit of the major federal award programs is reported in the Report on Compliance with Requirements Applicable to Each Major Program and Internal Control Over Compliance in Accordance with OMB Circular A-133.
5. The auditors' report on compliance for the major federal award programs for the City of Everett, Massachusetts, expresses an unqualified opinion.
6. There were two audit findings relative to the major federal award programs for the City of Everett, Massachusetts.

The programs tested as major grants are:

<u>Program Title</u>	<u>CFDA Number</u>
School Lunch Program	10.555
Small Cities Program	14.219
CDBG Entitlement Grant	14.218
CDBG Program Income	14.218
Title I Distribution	84.010
Sped 94-142 Allocation	84.027
Sped Professional Development	84.027
Reading Excellence Program	84.338

7. The threshold for distinguishing Types A and B programs was \$300,000.
8. The City of Everett, Massachusetts, was not determined to be a low-risk auditee.

B. Findings-Financial Statements Audit

None

C. Findings and Questioned Costs-Major Federal Award Program Audit

None

D. Summary Schedule of Prior Audit Findings

Finding 01-1: Sped 94-142 Allocation and Title I

Condition: The City does not account for interest earned on advances of federal funds. Up to \$250 per year may be kept for administrative expenses. Interest exceeding \$250, earned by non-State, nonprofit entities on federal fund balances is required to be remitted to the Department of Health and Human Services, Payment Management System, P.O. Box 6021, Rockville, MD 20852.

Auditors' Recommendation: We recommend the City's Grant Administrator implement procedures to properly account for interest earned on advances of federal funds and ensure compliance with grant agreements.

Current Status: Based on observations, inquiries of management and audit work performed during fiscal year 2002, we have concluded that management has not implemented the necessary procedures to ensure compliance with grant reporting requirements.

Planned Corrective Action: The School Department will work with the Auditor's Office to implement a procedure to account for earned interest and comply with Federal mandates.

Finding 01-2: School Lunch Program

Condition: The City did not perform the necessary procedures to verify beginning and ending inventory and inventory usage during each month. Federal regulations require the City maintain an accurate inventory of donated foods.

Auditors' Recommendation: We recommend the City maintain accurate and complete records of all donated food commodities received, used, and on hand. We also recommend that a physical inventory be taken and reconciled to these records.

Current Status: Based on observations, inquiries of management and audit work performed during fiscal year 2002, we have concluded that management has not implemented the necessary procedures to ensure compliance with grant reporting requirements.

Planned Corrective Action: The vendor that manages the school lunch program will keep an inventory of donated food commodities and update it on a monthly basis. The inventory will be on file in their office located at Everett High School and will be made available to City Officials.

Finding 01-3: Sped 94-142 Allocation

Condition: Form FR-1 (Final Financial Report) for the Sped 94-142 Allocation grant identified line items that were overspent in excess of the 10% limit.

Recommendation: It was recommended that procedures be implemented to comply with grant expenditure guidelines.

Current Status: Based on observations, inquiries of management and audit work performed during fiscal year 2002, we have concluded that management has implemented the necessary procedures to ensure compliance with grant reporting requirements.
