- Although there were no new developments regarding the pocket park development at St. Therese, the Chairman stated that it appears close to completion with new shrubbery.
- The Commission reviewed grant possibilities to finance the purchase of historical plaques. We need to learn the cost of the original plaque placed at Day Park.
- Mrs. DiPerri has researched the information regarding placing the Parlin Library on the Nation Register of Libraries. It appears to be a daunting task, and more time is needed to discuss this proposal.
- The Commission discussed consolidating any historical materials presently stored at City Hall and moving it to the Parlin Library.
- Old Business – Mrs. Ells presented the Commission with a copy of a new grant proposal, The Everett Citizens Foundation. Commission members will explore its possibility, and report back in September.
- New Business – None
- Next Meeting – The next meeting will be held on Thursday, September 22, 2022

The meeting adjourned at 6:37.
