

2024 Parking Changes

Everett Police Department Sergeant Joseph Gaff
Traffic Commission

City of Everett Parking Clerk/Director Chad Luongo
Parking Department

2024 Parking Goals

Implementing Changes in Response to Resident Concerns

- Reduce number of commercial vehicles on the streets
- Limit the amount of visitor passes and amount of time for the pass

Changes intended to create greater parking access for residents

2024 Resident Parking Program

- January and February resident stickers are *free* for residents
 - Residents must either go online to City Hall Systems (<https://epay.cityhallsystems.com/selection>) or come in person to the 311 Constituent Services Department at City Hall to order a sticker
- After March 1st, the stickers are \$10 for the year
 - At this time, residents can come into the Collector's office to purchase their sticker
 - They must have with them a valid registration showing vehicle garaged in Everett

Violations

Parking Enforcement Efforts are Making Positive Changes in Motorist Behavior

- **2022** – Issued 20,216 tickets for resident violations
- **2023** – Violations decreased to 15,477 tickets for resident violations

- **2022** – Issued 16,425 tickets for street cleaning
- **2023** – Violations decreased to 11,209 tickets for street cleaning with towing resumed

Commercial Vehicle Parking Changes

Old Way

- Regular resident sticker eligible
- \$10 Cost
- Must show a valid registration proving vehicle registered in Everett
- Small commercial vehicles permitted
 - No large vehicles
 - No vehicles with 6 wheels

New Way in 2024

- New color sticker
- Can only be purchased at City Hall
- Cost is \$300
- Must show a valid registration and vehicle must be brought to City Hall for inspection
 - Must be under 10,000 lbs.
 - Must be shorter than 10 ft in length
 - No box trucks
 - No more than 4 wheels
- Changes and increased cost comparable to other cities and towns

Special Placards

Special placards have been eliminated

- City will no longer offer a year-long pass that allows employees to park company vehicles in the city
- Change has limited resident impact (75 placards issued in 2023)
- Alternative would be for company to register the employee vehicle in Everett for city to receive benefit of excise tax

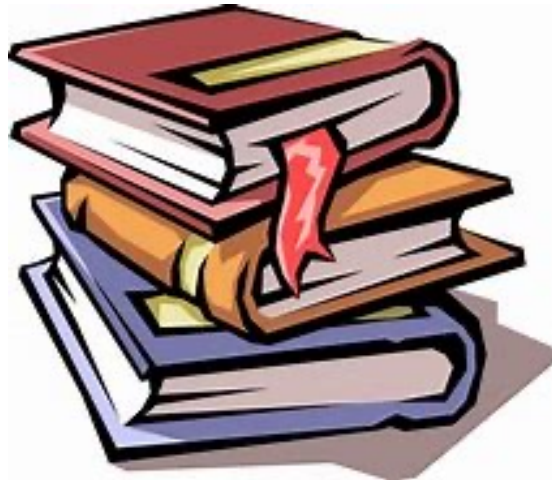

Nurses / Home Care Aids are exceptions

- Residents may apply for placard for nurse/aid
- Must provide a letter from the resident's doctor, the schedule for visits, and proof of the Everett address for the resident (patient)

Out-of-State Students

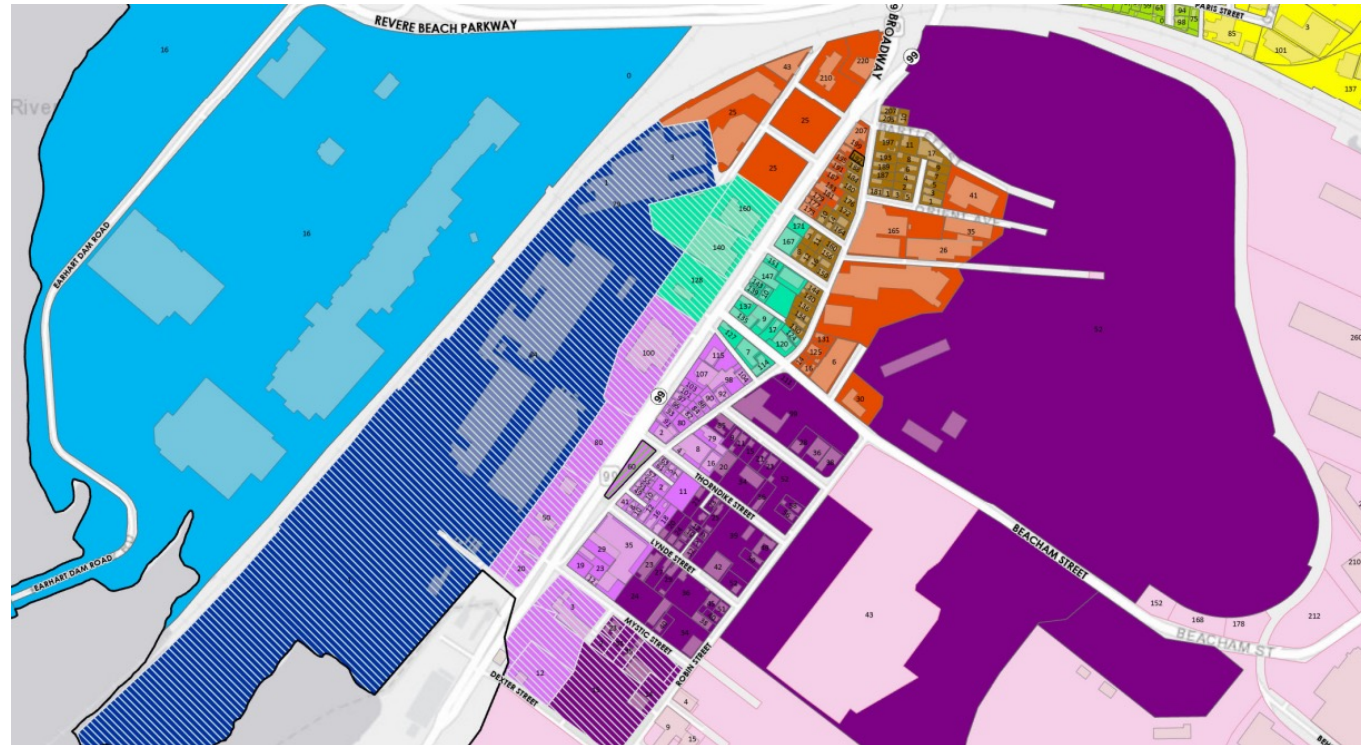

- Cost for a student pass is \$100 per year

Business Passes for Lower Broadway

- Businesses located at Lower Broadway may purchase a pass for \$25 per year

Visitor Passes Changes

Old Way

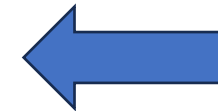

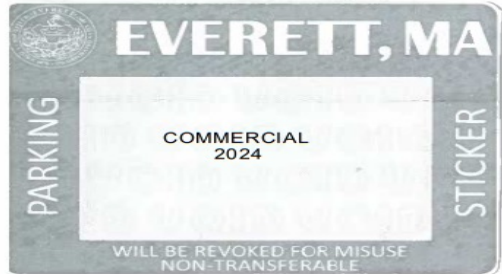

- 1 day pass - \$5
- 7 day pass - \$10
- 14 day pass - \$15
- 21 day - \$20
- Constituents can purchase two each of the 7, 14, & 21 day passes per year per plate
- One day passes are unlimited
- Must provide a valid registration and proof of the Everett address (current utility bill or lease)

New Way in 2024

- 1 day pass - \$5
- 4 passes per year, per visitor plate for 10 days - \$25
- Must provide a valid registration for visiting vehicle and proof of the Everett address for resident being visited (current utility bill or lease)
- New visitor pass paper that are embossed to prevent fraudulent passes

2024 Resident Stickers

Additional Security Features Added to Prevent Fraud

City Hall Systems Improvements

- New module added that allows blocking of addresses for resident stickers and parking passes
- This new module will help us control the number of stickers being issued and also allow us not to issue visitor passes to locations that are not allowed to receive one

Future Goals

Reduce the amount of resident stickers in the city to reduce congestion by encouraging more residents to use available driveways to create parking for residents who rely on street parking

- 2022 – 25,538 resident stickers issued
 - 302 of these stickers were for Lower Broadway
 - 610 of these stickers were for commercial plates
- 2023 – 26,551 resident stickers issued
 - 322 of these stickers were for Lower Broadway
 - 501 of these stickers were for commercial plates
