C0087-24

To: Mayor and City Council
From: Councilor Guerline Alcy Jabouin
Date: February 12, 2024

Agenda Item:

A resolution requesting information responding to residents' concerns regarding infrastructure improvements, particularly related to water, wastewater, and sewage services.

Background and Explanation:

Can the current infrastructure support the addition of thousands of apartments being built in the city. These improvements are crucial to support the addition of thousands of apartments and accommodate a population increase of over 30 percent within a short time frame. Additionally, the resolution seeks a comprehensive report on past, ongoing, approved, and pending infrastructure projects, including those awaiting approval from the Planning Board for water and sewer connection permits issued.
