- A. Mama Santos, 386 Main St. appeared for a follow up from the February 20, 2024 meeting. Appearing Jairan Brito translating for Mama Santos. A letter was given to the Board as their business plan but was not a business plan. Phil explains a business plan will tell how you are going to run your business. Phil Antonelli explains what the police report says is a different story than what Antonio is saying. Phil tells him that the police have been watching his business for the past few months. Mike Dantone says that the police report says that the patron told police that there are drugs being sold inside. The second police report from 3/19 states that the patron was over served and he was very belligerent. The police had to taze the gentleman and was arrested for disorderly conduct. Phil Arloro asked what kind of light shows are being used in the business and what is going on at the restaurant that this is happening. Antono says he has cameras in the business and the Board asked if he could send the video of the night in question.
