

Everett Saves Energy while helping your community

Want to lower your energy bill? Electrify Everett will assist homeowners, renters, landlords and small businesses in energy-saving measures throughout the year by offering energy efficiency solutions. Our community is partnering with Mass Save® sponsor, National Grid, to bring energy savings to all residents. Together we are working to create a more sustainable community.

Get started with a no-cost Home Energy Assessment. You may be eligible for:

 **75-100% OFF approved insulation upgrades**
100% off for rentals units and income-qualified households.

 **No-cost air sealing improvements**

 **Rebates on high-efficiency heating and cooling equipment and appliances**

 **No-cost energy-saving products**
Programmable thermostats, high efficiency faucet aerators and showerheads, and advanced power strips.

Which Mass Save incentives and rebates may be available for your home?

Income chart** Effective November 1st, 2023 - October 31st, 2024.

If you live in a single family home or 2-4 unit building, you may qualify for the energy efficiency upgrades below, based on your household's income:

ANNUAL HOUSEHOLD INCOME			
NUMBER OF HOUSEHOLD MEMBERS	INCOME - ELIGIBLE	ENHANCED OFFERS	STANDARD OFFERS
1	Up to \$45,392	\$45,393 - \$91,200	\$91,201 and higher
2	Up to \$59,359	\$59,360 - \$104,200	\$104,201 and higher
3	Up to \$73,326	\$73,327- \$117,250	\$117,251 and higher
4	Up to \$87,294	\$87,295 - \$130,250	\$130,251 and higher
5	Up to \$101,261	\$101,262 - \$140,700	\$140,701 and higher

*If 50% or more of the units in a 1-4 unit building are Income Eligible, the whole building is served as Income Eligible.

Recommended insulation upgrade	No-cost	No-cost	75-100% off
Heat Pumps***	No-cost	Up to \$16,000 rebate	Up to \$10,000 rebate
Pre-weatherization barrier removal	No-cost	Up to \$7,000 upfront	Up to \$5,000 upfront for rental units in 2-4 unit building
Financing on qualifying upgrades through a participating lender	Not applicable	0% interest up to \$50,000 if installing a heat pump. Otherwise, up to \$25,000	0% interest up to \$50,000 if installing a heat pump. Otherwise, up to \$25,000

***Heat pump rebates may depend on the type and size of the system, must be on the Qualified Product List and must be installed by a contractor in the Mass Save Heat Pump Installer network. For Income-Based Heat Pump offers, pre-existing fuel type must be oil, propane, or electric resistance. For whole-home rebates, the home must be sufficiently weatherized prior to installation and starting in 2024 the existing heating system must be disconnected. See masssave.com/heatpump for more details. Additional eligibility requirements may apply and all offers are subject to change.
