

**PUBLIC HEARING
CITY OF EVERETT
ONE-YEAR ANNUAL ACTION PLAN**

The City of Everett will convene a Community Meeting in preparation for the submission of its One-Year Annual Action Plan for the Program Year 2025. The City of Everett is hoping to receive comments from interested parties about the use of Community Development Block Grant (CDBG) funds in the City of Everett over the next five years. This meeting is intended to inform the public about CDBG program funds that have benefited Everett in previous years and how needs have changed in the City since its last grant award. The public comment period will last from August 27 to September 26, 2025, after which the final draft of the Annual Action Plan will incorporate public comment and be submitted to the United States Department of Housing and Urban Development (HUD). The upcoming public hearing will be held on Thursday, September 25th at 6:30 p.m. in the Speaker George Keverian Room, 3rd floor, Everett City Hall, 484 Broadway, Everett, MA 02149.

The City encourages a broad spectrum of participation by residents and other interested parties to better understand and serve the needs of the community. The hearing location is accessible to persons with physical disabilities. If you require translation services, accommodations for the hearing impaired, or other accommodations, please contact the Department of Planning and Development at least one week prior to the meeting.

Any person or organization so willing will be afforded an opportunity to be heard. Comments or questions regarding the activities to be included in the City's One Year Plan may be made at the hearing or before or after the hearing in writing to the Department of Planning and Development, Room 25, 484 Broadway, Everett, MA 02149.
