## **January 2026**

### **Message From the Mayor:**

#### **Thank You for 18 Years**

As we begin the new year, I want to share how truly honored I have been to serve as your mayor for the past 18 years. Together, we have accomplished so much as a community and shared countless special moments. Memories I will carry with me for the rest of my life.

When I reflect on my time in office, some of the work I am most proud of involves the services and programs we provide for our senior community. The dedicated Council on Aging staff have been a tremendous partner over the years, ensuring that Everett's seniors have access to enriching, engaging and fulfilling programming. From daily exercise classes to special weekly events and monthly senior socials, we have worked hard to offer something for everyone. I truly believe Everett provides some of the most robust senior services anywhere, and that is thanks to the commitment of the staff, volunteers and residents who have helped build this strong and caring community.

With Mayor-Elect Robert Van Campen preparing to take office, I am confident that he will continue this commitment to supporting our seniors. My team has worked closely with his to ensure a smooth transition.

As I sign off one final time as mayor, please know this is not goodbye. I look forward to remaining active in the community and continuing to see many of you around Everett. Thank you, once again, for everything we have shared — the laughter, the smiles and the many special moments. It has truly been a pleasure to serve you.
