

The subject property is comprised of two separately assessed parcels: 535 Ferry Street (which also includes the building addressed as 533 Ferry Street) and 539 Ferry Street (which also includes the buildings addressed as 537 Ferry Street). The combined property will have a total lot area of 15,100 square feet.

The applicant proposes to demolish the existing buildings at 535, 537 and 539 Ferry Street and to renovate and expand the building addressed as 533 Ferry Street. As proposed, the resulting structure will have two commercial units and sixteen dwelling units, with a total gross floor area of 17,916 square feet. The ground floor of the proposed structure will contain 2,130 square feet of commercial space at the front of the building (along Ferry Street) and residential units at the back of the building. The second and third floors will contain additional dwelling units. Seventeen parking spaces are proposed.
