## **February 2026**

### **Message From the Mayor:**

One of the things I value most about Everett is the sense of community we share, and February is a wonderful reminder of that. While the month may be short, our calendar is full of opportunities to connect, celebrate and spend time together, and I hope you'll join us.

Don't miss special events like our monthly Senior Social. The February social will feature a Valentine's Day theme, of course! Bring a special friend or loved one and enjoy a cheerful afternoon together.

February is also a time for reflection as we observe Black History Month. It is an opportunity to recognize the progress that has been made, acknowledge the work that remains and celebrate the Black leaders, past and present, who have helped shape Everett into the community it is today.

This month, we also recognize the birthday of our first president, George Washington. His commitment to public service and integrity continues to inspire my own approach to leadership, as I work each day to serve you with respect, fairness and dedication.

If you ever need assistance, please don't hesitate to speak with a Council on Aging staff member or reach out to my office directly. We are here to support you, and it is an honor to serve as your mayor.
