The Clerk of Committees, in conjunction with the chair of a committee, shall schedule committee meetings, in accordance with all applicable rules and regulations, either at their discretion or upon the written demand of a majority of their committee members.

In the absence of the chair at any committee meeting, the next named member of the committee present shall serve as chairman.

A quorum for a committee meeting shall consist of a majority of the entire membership of that committee; this shall be three members for four-member committees. If necessary, the city council president's attendance at a committee meeting, as an ex-officio member, can be utilized to establish and/or maintain a quorum. In such an event, the president shall have all voting and debating rights afforded to a committee member.
