August 2026

Message From the Mayor:

July is here, bringing summer in full swing and an opportunity to celebrate an important moment in our nation's history. This year marks the 250th anniversary of the United States, a time to reflect on the freedom and opportunity that shape our country and our community.

I was grateful to join so many residents at our Independence Day Celebration this past weekend as we came together to celebrate this historic anniversary. Community traditions like these remind us of the importance of coming together, honoring our shared history, and looking ahead to the future.

As we enjoy the summer months, I encourage you to take advantage of the many programs and events available throughout Everett. Whether you're spending time with family and friends, attending activities at the Connolly Center, participating in a community event, or enjoying one of our parks and public spaces, there are many opportunities to stay active, connected, and engaged.

I also want to thank our senior residents for the many ways you continue to strengthen our community. Your experiences, contributions, and dedication have helped shape Everett into the city it is today, and we are grateful for all that you do. On behalf of the City of Everett, I wish you and your loved ones a safe, healthy, and enjoyable July.

The Connolly Center is a safe space for older adults to commune with each other.
