Planning Board Agenda

I. Roll Call of Members

II. Old Business

- 1. Master Plan Special Permit – 52 Beacham Street (PB2025-22)** – This Master Plan seeks approval for a variety of uses on multiple parcels of land within the Everett Docklands Innovation District totaling 106.21-acres of land. Totaling approximately 5.04-million square feet of development, the Master Plan anticipates a mix of uses including, but not limited to, residential, manufacturing, industrial, lab/office, and research & development. Supporting these new uses are over 10,000 linear feet of new roads and infrastructure and over 15-acres of open space and public parks. The Master Plan area encompasses parcels referenced by Assessors Department as H0-01-000130, H0-05-00162A, H0-05-00162B, H0-10-000069, and H0-11-000080.
(Continued from November 10, 2025)
- 2. Endorsement of a Preliminary Subdivision Plan – 52 Beacham Street (PB2026-10)** – Applicant seeks Planning Board approval of a Preliminary Subdivision Plan at 52 Beacham Street to subdivide a total of 88.6 acres of land into 12 individual lots with a length of roads totaling 1,344 feet.
(Continued from June 1, 2026)
- 3. Site Plan Review & Inclusionary Zoning Special Permit – 533-539 Ferry Street (PB2026-12)** – The proposed project combines three lots into one large irregularly-shaped lot with an area of 15,100 sq. ft. The Applicant proposes to raze the existing two-floor duplex residential structure and the one-story commercial structure on the Site, and to expand and reconstruct the existing three-story mixed-use building (currently located at 533 Ferry Street) to erect a three-story mixed-use building with two commercial units on

the first floor and a total of fifteen (15) residential units one the first, second, and third floors. 533-539 Ferry Street are multiple parcels of land located in the Business District and are referenced by Assessor's Department as A0-04-000052 & A0-04-000050.
(Continued from August 3, 2026)

4. **Site Plan Review & Inclusionary Zoning Special Permit – 380 Second Street (PB2026-13)** – Proposal for the redevelopment of a 70,649 square foot site, which is currently occupied an industrial warehouse and parking lot. The proposed redevelopment contemplates the demolition of the existing structure and the construction of a mixed-use building containing 310 residential units, 31 of which are proposed to be deed-restricted as affordable, 3,875 sq. ft. of ground-floor retail, and structured parking containing 91 parking spaces. 380 Second Street is a parcel of land referenced by Assessor's Department as K0-06-000041.
(Continued from August 3, 2026)
5. **Site Plan Review – 16 Liberty Street (PB2026-14)** – Proposal is for the redevelopment of an 8,016 square foot site, which is currently occupied by a 2-family home and detached garage. The proposed redevelopment contemplates the demolition of the 2-family home and detached garage and construct a 3-story residential structure containing 6 units. The proposal also contemplates 12 surface parking spaces in the rear of the structure. 16 Liberty Street are parcels of land referenced by Assessor's Department as C0-03-000168 & C0-03-000169.
(Continued from August 3, 2026)
6. **Minor Amendment to Approved Site Plan – 260 Elm Street (PB2022-36a)** – Applicant received approval in January of 2023 to raze an existing single-family residential structure and construct a new, three-story dwelling containing 9 residential units and seven parking spaces. After construction was completed, the City was made aware of discrepancies between the landscaping plan approved by the Planning Board and what was actually built. Applicant now seeks Planning Board approval to modify the approved site plan to reflect the built condition.
(Continued from August 3, 2026)

III. New Business

7. **Request for Waiver of Site Plan Review (1936 Revere Beach Parkway)** – Applicant requests a Waiver from Site Plan Review for an adaptive reuse of an existing commercial tenant space for an indoor billiards and recreational entertainment venue with alcohol service and limited food service. The proposal previously received a Waiver of Site Plan Review from the Planning Board to perform this retrofit of the main floor to a billiards and recreational entertainment venue on March 2, 2026. The present application seeks to expand the use to the basement level of the venue.
