TERMS AND CONDITIONS

1. PERFORMANCE OF SERVICES

All Services of the Vendor shall be performed by qualified personnel. The employment by the Vendor of additional Subcontractors for any of the Services shall be subject to the prior written approval of the City. No member of the Project team shall be replaced without the consent of the City. The City shall have the right to require the Vendor to remove any personnel from the Project for reasonable cause. The Vendor shall perform its Services in accordance with the highest professional standards of skill, care, and diligence. Without limiting the foregoing, the City shall have the right to require the Vendor to cease providing Services immediately upon written notice.

2. TIME

The Vendor shall perform its Services as expeditiously as is consistent with the standards of professional skill and care required hereby. The Vendor shall perform its Services in coordination with the operations of the City at the Sites specified and with any party engaged by the City in connection with the Project. It shall be the obligation of the Vendor to request any information necessary to be provided by the City for the performance of the Vendor's Services. Time is of the essence of this Agreement.

3. REIMBURSABLE EXPENSES

If out-of-pocket expenses are not included in the Vendor's fee, the City shall compensate the Vendor for reimbursable expenses actually incurred; provided, however, that reimbursable expenses shall only be eligible for reimbursement if they have been submitted in advance and approved in writing by the City. The Vendor agrees to use reasonable efforts to minimize expenses which are reimbursable by the city.

4. VENDOR'S COMPENSATION

a. Lump Sum. If Services are to be provided on a Lump Sum basis, the total amount of compensation due to the Vendor in consideration of the full performance of Services by the Vendor is the amount set forth on page one of this Agreement. The City shall pay the Vendor as Services are performed by the Vendor based upon the portion of Services completed.

b. Upset Limit. If Services are to be provided subject to an Upset Limit, the total amount of compensation due to the Vendor in consideration of the full performance of Services by the Vendor shall in no event exceed the amount set forth on page one of this Agreement. Unless otherwise agreed, payments shall be made to the Vendor on a Time Card/Unit Price basis as provided in paragraph c. below, subject to the Upset Limit.

c. Time Card/Unit Price. If Services are to be provided on a Time Card/Unit Price basis, payments shall be made to the Vendor for Services performed based upon the salary or hourly rate or unit price schedule included in the Proposal or attached as Exhibit C. If the agreed rate schedule is not included in the Proposal or attached as Exhibit C, the Vendor shall submit to the City, before proceeding with Services, a rate schedule listing the maximum rates to be charged for the various employees or categories of employees performing Services or categories or services. Compensation for services performed by authorized Subcontractors shall be on the basis of the actual costs to the Vendor unless otherwise specified herein or in the Proposal. The Vendor shall use his best efforts to complete the performance of his Services within the Estimated Amount set forth on the first page of this Agreement. The Vendor shall advise the City at such time as the Estimated Amount has been reached. The City shall not be obligated to pay for any amount in excess of the Estimated Amount, unless the City gives the Vendor a written notice authorizing the further performance of Services and the incurring of additional costs

for such Services.

d. **No Compensation for Certain Services.** Neither the Vendor nor any of its Subcontractors shall be compensated for any services involved in preparing changes that are required for additional work that should have been anticipated by the Vendor in the preparation of construction documents or other work products, as reasonably determined by the executive head of the City, nor for any services made necessary by the fault or negligence of the Vendor or its Subcontractors.

e. **Subject to Appropriation.** The obligations of the City hereunder shall be subject to appropriation on a fiscal year basis. In the absence of appropriation, this agreement shall be terminated immediately without liability of the City for damages, lost profits, penalties, or other charges arising from early termination.

The Vendor shall submit, not more often than monthly, statements for fees for Services rendered and reimbursable expenses (stated separately) incurred. The Vendor's statements shall include a description of the Services performed for the period in question with a progress report, and shall be in such form and detail and with such supporting data as the City may reasonably require to show the computational basis for all charges (including reimbursable expenses), including a statement explaining any substantial deviation from the Vendor's anticipated work schedule, staffing plan and costs. Payment shall be due within thirty (30) days after the City receives a proper statement. In no event shall the City be liable for interest, penalties, expenses or attorney's fees. No payment made hereunder shall constitute or be construed as final acceptance or approval of that part of the Services to which such payment relates or relieve the Vendor of any of its obligations hereunder with respect thereto.

6. VENDOR'S ACCOUNTING RECORDS

The Vendor shall keep records pertaining to Services performed (including complete and detailed time records) and reimbursable expenses incurred, employing sound bookkeeping practices and in accordance with generally accepted accounting principles. All records pertaining to Services performed on a time card or unit price basis and reimbursable expenses shall be available to the City or its authorized representatives for review and audit during normal business hours.

7. REPORTS, DRAWINGS, ETC.

All reports, drawings, plans and other data and material, including computer programs and other material in electronic media (collectively, "Materials") furnished to the City shall become the City's property and may be used by the City (or such parties as the City may designate) thereafter in such manner and for such purposes as the City (or such parties as the City may designate) may deem advisable, without further employment of or additional compensation to the Vendor. The Vendor shall not release or disclose to any third party any Materials produced for the City without obtaining the City's prior written consent. At no time shall the Vendor release or disclose to any third party any Materials furnished to the Vendor by the City in connection with the performance of the Vendor's Services. Upon the expiration or termination of this Agreement for any reason, all Materials and other work product that have been accumulated, developed or prepared by the Vendor (whether completed or in process) shall become property of the City and the Vendor shall immediately deliver or otherwise make available such Materials to the City.

Such insurance shall include contractual liability and shall cover the use of all equipment and motor vehicles on the Site or transporting persons, equipment, materials or debris to and from the Site. Products and Completed Operations insurance shall be maintained for at least three years after completion of this Agreement.

At the request of the City, a Subcontractor employed by the Vendor shall obtain and maintain a professional liability insurance policy covering negligent errors, omissions and acts of such Subcontractor or of any person or business entity for whose performance the Subcontractor is legally liable arising out of the performance of the contract for Subcontractor services. Vendors are responsible for providing clearly marked legible receipts confirming expenses. Invoices for reimbursements should be submitted within 45 days of the expense if possible. Markups on expenses are normally limited by City of Everett contracts or purchase orders and usually set at a maximum of 5.0%.
